

LEARNING THROUGH MOVEMENT
Helping Today's Children Explore their Learning Potential
 – For Teachers, PE Instructors, OT's, PT's, School Administrators, Parents, Yoga Instructors

“...When we think of intellectual activity, we always imagine people sitting still, motionless. But mental development *must* be connected with movement and be dependent on it. It is vital that educational theory and practice should be informed by that idea.”
 -Maria Montessori, *The Absorbent Mind*

(2 CPDU's Available)

This workshop will teach you how basic movement patterns work to create a more harmonious mind and body connection in children. You will learn a variety of movement activities to use in your educational setting.
